PROFILE

I am a dynamic and experienced educator with a passion for teaching and a proven track record of success. With four years of teaching experience, I am a skilled communicator and collaborator with a deep knowledge of my subject matter. I love incorporating technology into my lessons and am always looking for new and innovative teaching tools to help my students learn. I am committed to helping my students reach their full potential and am dedicated to assisting them in discovering and developing their strengths. I am the perfect candidate for any teaching position.

ACHIEVEMENTS

IIT JAM 2019 & GATE 2023 Qualified

WORK EXPERIENCE

Subject Matter Expert in Physics

Chegg.pvt.ltd

2019-2023

- In-depth knowledge of physics: I possess a deep understanding of the fundamental principles of physics, including mechanics, thermodynamics, electromagnetism, and optics, as well as advanced topics such as quantum mechanics and relativity.
- Strong communication skills: I possess excellent verbal and written communication skills, which allow me to clearly and effectively communicate physics concepts to students of all levels and backgrounds.
- Experience with online tutoring: I have experience tutoring students in an online environment and I am adept at using online tools and platforms to deliver engaging and effective tutoring sessions.

JEE Main and Advanced Teacher

JEE Main & Advanced Coaching (Personalized)

2020-2023

- Customized lesson plans: I design customized lesson plans based on the individual needs of each student, taking into account their strengths and weaknesses and tailoring the content to their learning style.
- Extensive subject knowledge: I possess extensive knowledge of the JEE Main and Advanced exams, and can impart that knowledge to my students clearly and concisely.
- Interactive teaching methods: I use interactive teaching methods, such as hands-on activities and group discussions, to keep my students engaged and motivated.
- Effective communication: I have strong communication skills, which allow me to clearly explain difficult concepts and guide my students through challenging problems.
